x)	Also, if necessary for further negotiation through offline for final rate.	To be notified later.

Table-3 :-

Eligibility Criteria & Documents to be produced in support of Credential for quotation Part-I (Prequalification Documents):-	i) Having valid GST registration certificate with up-to-date GST return. ii) Having valid PAN Card and assessment last year Income tax return. iii) Having valid P. Tax clearance Certificate. iv) Having up to date Trade License. v) The intending bidder is not manufacturer, then they must submit OEM authorization letter along with valid ISI Certificate from whom they will purchase the materials. These two certificates must be produced from the same manufacturing company. (Only SI no. 02) v) Having experience of supplying any type of materials during last 5 (five) financial years. All above credentials should be from any Government Department/Undertaking Govt. etc. vi) Other certificates if any. <i>(Copies of all above mentioned documents shall have to be furnished)</i> All documents in original to be produced in due course of time as & when asked by the TIA.
Quotation Documents:-	A full set of Quotation documents consists of 2 Parts. These are PART I:- Containing all documents in relation to the name of the Companies/Firms /Contractors applied for and credentials possessed along with all documents as specified in above Eligibility Criteria and its all corrigenda's. PART II:- Containing the Quotation Price / Price Schedule. (BOQ in MS-excel format).
Earnest Money:-	The Earnest Money as specified in Table-1 shall be remitted by the Contractor through net banking or NEFT or RTGS (ICICI payment Gateway) in respect of tender ID. Every such transfer shall be done on or after the date of published of NleQ. Any tender without such online payment of EM (Except exemption as per G.O.) shall be treated as informal and shall be automatically cancelled. Online transfer of Earnest Money receipt (Scanned copy) shall be uploaded as statutory document.
	<i>The cost of Quotation documents as specified in Table-1 shall be paid by the successful Contractor only at the time of formal agreement after acceptance of quotation.</i>
Validity/ Withdrawal/ Acceptance of Quotation:-	A Quotation submitted shall remain valid for a period of 120 calendar days from the date set for opening of quotation. Any extension of this validity period if required will be subject to concurrence of the Quotation. A Quotation once submitted shall not be withdrawn within the validity period. If any Contractor withdraws his/their tender(s) within the validity period, then Earnest Money as deposited by him/them will be forfeited and even a legal action may be taken by TIA. The TIA will accept the quotation. He / She does not bind himself/herself to accept otherwise the lowest tender and reserves to himself/herself the right to reject any or all of the quotations received without assigning any reason thereof.

Scope of the works:- As per Annexure/BoQ

Other terms & conditions if any:

The following requirements if necessary and if not produced, then the quotation will be rejected:

- 1 All taxes will be deducted as per order of Govt. of West Bengal. Time to time.
- 2 Failing to deliver requisition material within stipulated time period for more than 3 times will not be entertained and strict action will be taken against that agency including Black listing from this office.

Instructions/guidance to the contractors for e-quotationing:-

1. General Guidance for e-quotationing:

Intending quotationers desirous of participating in the quotation are to log on to the website <https://wbttenders.gov.in>. The quotation can be searched by typing the First Four Letters in the search engine provided in the website.

2. Registration of Contractors:

Quotationers willing to take part in the process of e-quotationing are required to obtain Digital Signature Certificate (DSC) from any authorized Certifying Authority (CA) under CCA, Govt. of India. (viz. nCode Solution, Safes crypt, e-Mudhra, TCS, MTNL, IDRBT) DSC is given as a USB e-Token. After obtaining the Class 3 Digital Signature Certificate (DSC) from the approved CA they are required to register the fact of possessing the Digital Signature Certificates through the registration system available in the website.

3. Eligibility for participation:

Contractors, Registered Engineers Co-operative Societies, Consortiums and Partnership firms registered with the State Government and contractors of equivalent Grade / Class registered with Central Government / MES / Railways for execution of civil works are eligible to participate.

4. Collection of Tender Documents:

Quotations are to be submitted online and intending quotationers are to download the tender documents from the website as stated above, directly with the help of the e-Token provided. This is the only mode of collection of tender documents. Details of submission procedure are given below.

5. Submission of Quotations:

5.1 General process of submission.

Quotations are to be submitted online through the website as stated above. All the documents uploaded by the Quotation Inviting Authority to form an integral part of the contract. Quotationers are required to upload all the tender documents along with the other documents, as asked for in the tender, through the above website within the stipulated date and time as given in the Quotation. Quotations are to be submitted in two folders at a time for each work, one is Technical Proposal and the other is Financial Proposal. The quotationer shall carefully go through the documents and prepare the required documents and upload the scanned documents of originals in Portable Document Format (PDF) to the portal in the designated locations of Technical Bid. He needs to fill up the rates of items/percentage in the BOQ, downloaded for the work, in the designated Cell and upload the same in designated location of Financial Bid. The documents uploaded are virus scanned and digitally signed using the Digital Signature Certificate (DSC). Quotationers should specially take note of all the addendum/corrigendum related to the tender till the bid submission ends. Quotationers should in general upload the latest documents as part of the tender, however, in case of failure in uploading such documents, it will be deemed that they Quotationers) have taken note of such latest documents including addendum/corrigendum, if published till the bid submission ends.

5.2 Addenda/Corrigenda: if published.

Note: Contractors are to keep track of all the Addendum/Corrigendum issued with a particular NIT till the bid submission ends and in general upload the downloaded copies of the above documents and merge the Addenda/Corrigenda with respective NIT in the NIT folder. , however, in case of failure in uploading such documents, it will be deemed that they (Quotationer) have taken note of such latest documents including addendum/corrigendum, if published till the bid submission ends, overriding any other terms/conditions if mentioned anywhere else in the concerned NIT.

5.3 Completion Certificate(s) submitted by the bidder should indicate the gross value of the 100% completed work only. Completion certificates should clearly contain the Name, Designation, Address and contact no of the Officer issuing the credential.

5.4 Penalty for suppression / distortion of facts.

If any quotationer fails to produce the original hard copies of the documents (especially Completion Certificates and audited balance sheets), or any other documents on demand of the Quotation Evaluation Committee within a specified time frame or if any deviation is detected in the hard copies from the uploaded soft copies or if there is any suppression, the quotationer will be suspended from participating in the quotations on e-Quotation platform of the Barasat Municipality for a maximum period of 3 (Three) years. In addition, his Earnest Money Deposit will stand forfeited to Barasat Municipality may take appropriate legal action against such defaulting quotationer.
